

## ICD-10 Implementation:

It's only a day left for ICD-10 transition. Our MedNet Team would like to help you get through it smoothly.

Below are the helpful guides, we shared with our Physicians & their Practices to ensure proper ICD-10 implementation

- [ICD-10 from CMS](#)
- [Assess How ICD-10 Will Affect Your Practice](#)
- [CMS Road to 10 – The Small Physician Practice's Route to ICD-10](#)
- [CMS Road to 10 – Create Your Action Plan Web Application](#)
- [CMS Basic Implementation Guide for Small and Medium Practices](#) (pdf)
- [CMS In-depth Implementation Guide for Small and Medium Practices](#) (pdf)
- [CMS Provider Resources – Education, Videos, Conferences, Meetings, Webinars](#)
- [AMA ICD-10 Transition Cost Estimates for Practices](#)

No Matter what EMR/PM Software you use, we are here to help you in this transition.
